Front and center!

The Front and Center Fund had a team running in the 2010 Spring Lake Five Mile Run to raise money for the **Embrace Kids Foundation** in New Brunswick. More than 25 runners took place in the race on May 29. Shown are team members, left to right, Elias Loucopoulos, Mike Loucopoulos, Luke Loucopoulos, Anthony Lardieri, Nick Kambitsis, Tom Duimstra and Chris Brown. The team raised more than \$36,000, bringing the three-year total for this event to more than \$60,000, which has enabled Embrace Kids to establish The Front & Center Scholarship Fund. The fund will aid pediatric cancer survivors and current patients who are part of the Embrace Kids Family.
